

**Online-MITO Expert-Certification****PROF. BINNER**
AKADEMIE
www.pbaka.deAutor:
Prof. Dr.-Ing.
Hartmut F. Binner

On Wednesday, 15.02.2023, the Prof. Binner Academy will again conduct an online MITO expert certification from 9:30 am. You will learn a holistic problem-solving cycle with

"Analysis, diagnosis, implementation and evaluation"

and the associated management, CIP, creativity and evaluation methods within the MITO method tool and apply them in a practical manner. The following contents are taught:

1. MITO Model and Method Tool Basics (1/2 hour)
2. Continuous MITO method tool training based on practical examples (7 hours)
3. Certification exam, 17:00 (1/2 hour)

The costs are 380, - Euro plus VAT, including certification costs. As a certified MITO expert, you will be named on the PBAKA website on request.

A MITO-Tool trial license is provided free of charge for 3 months.

If you participate in the online MITO Expert Certification, you can purchase the MITO Method Tool at a special price of 1,500 euros plus VAT.

Note: The topics and dates of the free MITO-online lectures can be found on our website. The MITO method tool approach is described in detail in 7 management books and many publications in scientific journals.
